

# Database Factsheet: Fame

**Coverage:** Fame contains financial information on over 2 million public and private companies from the UK and Ireland. It can be used to find company contact information, company financials, company directors and key employees, competitor analysis, ownership data and stock prices for listed companies.

**Access:** Linked to from the [Company and Financial Databases](#) section on the Library Catalogue.

1. Use the main search box to run a quick search for a company Enter the company name or registered number.
2. The advanced search interface 'Create your search' forms the main section of the database homepage. Build your search by combining search criteria.
3. In the [Tools] section on the left hand column, the batch search feature allows you to search for more than one company by typing in their names, uploading details of up to 1,000 companies.
4. Use the [Help] link in the toolbar to access a comprehensive user guide, daily search tips and news of content updates.

My Fame

- Search results will be displayed in a list providing basic information about the companies that matched your criteria. Each stage of your search, and the number of results at each stage, is shown in the [Search step] section.
- You can easily modify your search by choosing to [Add a search step].
- The results list can be exported to Excel, emailed or printed.
- To edit the layout of the results and add variables click [Add/remove columns].
- To access the detailed report for a company click on the company name.
- To run analysis on the companies in your results list choose an option from the [Tool] section. Within each section there are standard templates you can use or choose to create your own.
