

Using FAME to find account item data for a group of companies.

Often you need to find data about a group of companies rather than one individual company. This guide demonstrates how to undertake that type of search and export the data into a spreadsheet.

Creating Your List of Companies:

- Select the option to search by **company name**.

- Search for your company by name e.g. WM Morrison Supermarkets PLC

fame Detailed information on UK and Irish companies

Companies | News | M&A deals | Industry research

Enter company name or registered number

Home > Search by Company name

Enter one or more words, or the beginning of them, and click on "Search"

WM MORRISON SUPERMARKETS P L C

Match on whole words only (Example: 'UNIT' will not select 'UNILEVER')

Match on first words only (Example: 'FOOD' will not select 'ABA FOOD')

Include previous names

Select one or several companies and click on "OK"

Company name	Registered Office Postcode	Registered number	Latest accounts date	Turnover (th GBP)	Number of employees	Entity type	Number of subsidiaries	Accounts type	Primary UK SIC (2007) code	Primary UK SIC (2007) description
